Anita,

I put the memo you wrote on EPA OCSPP letterhead, put it into more of a letter format, and made some of the changes from Linda's email. I also included the hyperlink to the NAS report. Let me know if there are any changes that you would like me to make or if there is anything else that I can do to help this effort.

Thanks,  
Melissa

Mark,

Attached is a first cut at a memo from OPP which summarizes our comments on the EPA R10 review. Can you take a quick look and provide any comments before we move this up the chain for review? Thanks.
